ACTIVITIES

Our area of Nyerere affords great opportunities for game viewing by vehicle, on foot and by boat and we make the most of all of them. We enjoy picnics, fishing, trips to the hot springs and fly camping. The area is quiet without many other camps and is perfect for full immersion in the bush.

FLY-CAMPING

Fly-camping is a highly recommended part of any safari to Sand Rivers, Nyerere, and is available at an extra supplement. The fly camps are shared, and guests sleep under spacious mosquito net tents. A bucket shower with hot water, and short-stop toilets is set up behind camp. A full compliment of staff provide a full breakfast, light lunch, and 3-course candlelit dinner.

SEASONS

June to September; warm days and cool nights, best time of year for walking safaris. Great elephant and buffalo sightings. October - November; heavy concentrations of game around the inland lakes, weather dry and hot. December - March; prolific bird life, many animals calving, weather starts to get humid, with possibility of rain.
