GARDEN ROUTE - SOUTH AFRICA

Weddings at Gondwana

Situated in the heart of the Garden Route, Gondwana Game Reserve offers an exclusive and spectacular natural setting for your most important day.

It is the ultimate venue for the wedding of your dreams with luxury amenities, attentive service, stylish contemporary interiors, and gourmet cuisine.

Gondwana offers a romantic and tranquil experience where guests can enjoy the breath taking views of the Langeberg mountain range, over 1000 species of Fynbos, and exhilarating game drives, viewing herds of wildlife including the free roaming Big 5.

Gondwana delivers an authentic Safari destination accessibly making it easy for your guests to attend whether by car or plane. We guarantee a memorable occasion and will customize every element to make it a special event.

There are many options to consider when planning a wedding, and on Gondwana Game Reserve, we focus our attention on the specific needs of each wedding. We therefore do not offer a 'one stop' style wedding package. We prefer to adopt a tailor made approach for each of Brides and Grooms to paint the ideal picture for them so that we can best create this. In saying this, there are some fundamental parts of the wedding, which we have tried and tested and found to work for us on the Reserve, as well as our past Bridal Couples. We are certainly open to suggestion and are flexible on most requests as we enjoy being challenged and pushing ourselves to our limits.

Please find below some important information on Weddings on Gondwana Game Reserve.
