# 6 REASONS TO VISIT SARUNI MARA

## 01. EXCLUSIVE LOCATION

Saruni Mara is nestled into the secluded hills of the 69 000-acre Mara North Conservancy, with wide-open plains to the south and forests to the north. Explore the world-renowned Mara-Serengeti ecosystem in complete, uninterrupted exclusivity during your stay in this private and protected conservancy.

## 02. WILDLIFE ENCOUNTERS

Mara North Conservancy is teeming with wildlife. The Mara-Serengeti ecosystem, of which Mara North is part, has the highest density of predators and plains game of any wilderness in the world, and is on the route of the thrilling, awe-inspiring natural spectacle that is the Great Wildebeest Migration. Saruni Mara game drives are action-packed, with unforgettable wildlife encounters and remarkable moments.

## 03. ELEGANT COTTAGES

Saruni Mara is the only small luxury lodge in the area. Each room is beautifully designed and stylishly furnished according to a theme, such as the Love Shack, the Photographer's Studio, the Observatory, and the Natural History Suite. You can also discover the Maasai Wellbeing Space, and feel rejuvenated and revitalised.

## 04. MAASAI-GUIDED SAFARI

One of the most remarkable aspects of any Saruni Mara safari is the fantastic guiding experience. The Maasai warriors guides eagerly share their ancient customs and in-depth knowledge of the landscape and wildlife. In addition to holding professional guiding qualifications, our guides are the proud custodians of this incredible wilderness, and whose ancestors have known this area as their home for centuries.

## 05. UNIQUE WARRIOR PROGRAMME

Our 'Warriors Academy' experience gives you the chance to spend a few days learning the survival skills of the renowned Maasai warriors. They will share this knowledge with you in much the same way that they would teach a junior warrior, and you will learn to track animals and craft tools on the plains of the Masai Mara. This immersive experience is a particularly exciting activity for families with children.

## 06. COMMUNITY-FOCUSED

Saruni Mara is a founding member of the Mara North Conservancy, which provides jobs, income, training and guidance for the local Maasai. Saruni Basecamp's ecotourism model directly supports conservation - by visiting Saruni Mara, you are directly giving back to the community that protects this beautiful land, improving their quality of life, and giving new meaning and purpose to conservation initiatives.
