This is bookable on an exclusive basis only for guests checked-in at Giraffe Manor and The Retreat. The Garden Manor was created to provide accommodation exclusively for guests of our collection, so that the main house can be kept as open and accessible to all as possible. Our resident giraffes regularly enjoy visiting both parts of The Manor for treats. This means that you can book the Garden Manor if you are also booking another of our properties for the same group. Please Note: In the event of the other property being cancelled, the booking at the Garden Manor is forfeited and becomes subject to availability at the main manor. However, if the booking is made within 4 weeks of arrival, the Garden Manor may be booked on its own.***

***Specific tables for breakfast with the giraffes cannot be reserved or paid for in advance. Tables are assigned by Giraffe Manor management team according to multiple variables they need to consider including safety, traffic flow, access to exits and group size.
