Setari Camp Overview

Setari Camp is situated in the heart of the Okavango Delta in Botswana. The camp has been specially designed on wooden walkways and platforms to make the most of the dramatic Delta views.

Located in an impressive 55,000 ha exclusive private concession in the heart of the Okavango Delta.

Privately owned and managed.

A genuine, authentic and traditional water/land based camp offering walking, mekoro rides and boating.

Location

Setari sits on a palm-fringed island in the central region of the Okavango and is located due North West of the World-renowned Moremi Game Reserve, where the main artery of the Okavango begins to fan out in the Delta [Map co-ordinates 18 58 30.88 S 22 34 05.97 E](#)

Access by Air & Boat

The closest international airport is Maun, Botswana. There are daily flights from Johannesburg International Airport and Cape Town International airport on either South African Airlinik or Air Botswana (please note that Air Botswana only fly the Johannesburg to Maun route).

From Maun airport, it is another light aircraft flight to Old Jedibe Airstrip.

The light aircraft can be organised directly with us. From Old Jedibe a 30 minute scenic boat transfer will take you directly to Setari.
