GPS Co-ordinates: S24 46'' 00' E26 10'' 24'

Take the N4 Toll Road northwest towards Rustenburg, Swartruggens, Groot Marico and Zeerust

Tolls would be roughly **R150** depending on where you're travelling from

Once **in Zeerust turn right** where you have the ABSA bank on the corner to the left

Follow the R47/R49 towards the reserve for approximately 95km.

The **first entrance** to the reserve is Abjaterskop gate

Pass that gate and **enter the next gate** - Wonderboom gate exactly 7km from the first gate.
Gates are open between 06h00 – 18h00 7 days a week.

Once you have **gone through the boom** there is a **Last Word Madikwe / Bush House signboard** about 300m along. **Turn left**, travel **through our gate** and **follow the road to reception**.

NB!! Please watch the speed limit when travelling through the small villages as there is a lot of trapping along the R47/R49

Please fill up with fuel in Zeerust as the small garages along the road to the lodge do not always have stocks of fuel
