

Nyamatusi Camp

MANA POOLS NATIONAL PARK, ZIMBABWE

OPEN BETWEEN APRIL 01 – NOVEMBER 30 (for 2024); All year round (for 2025 and onwards)

DEEP IN THE WILDS OF MANA POOLS

Nyamatusi Camp, lightly translated, means 'wild game'. This Mana Pools safari Experience is set in one of the wildest and most remote parts of Africa, on the banks of the Zambezi River. Embracing comfort, this property embodies sustainable design. Fully solar-powered and built from all-natural materials, it encompasses its wilderness location in the most elegant way.

Consisting of six luxury tented suites with uninterrupted views of the river and escarpment beyond, our Mana Pools safari Experience invites a blissful escape to nature. Each romantic guest tent is adorned with soft drapery and replete with air-conditioning, a mini-bar, an indoor and outdoor shower, a private viewing deck, and a plunge pool. Your Mana Pools safari follows the gentle ebb and flow of life on the river. Marvel at the incredible sights and sounds of one of Africa's last remaining wilderness hinterlands from the cosy, elevated bar or refreshing pool.

Spend your days walking in the footsteps of ancient explorers and tracks of elephants that crisscross the floodplain. Watch the drama of nature play out before your eyes on game drives or thrilling canoeing safaris. Fishing on the Zambezi River (catch-and-release only) and birding safaris are highlights here. All these activities are included in your stay and are led by qualified and passionate guides keen to share their knowledge and love of the bush with you.
