

Private Sunrise Cruise

EXPERIENCES

Choose a Private Sunrise Cruise on our smallest vessel, Kalunda, as the way to start your morning in Victoria Falls, with a Continental Breakfast served as you soak up the serene ambience of the river. Whatever the occasion, be it your honeymoon or a gathering of family and friends, we ensure a magical morning on the water as the colours of the sky are seduced by the rising sun.

This cruise is especially rewarding for bird enthusiasts, with our Captains exceptionally well versed in identifying the varieties and early mornings the best time to spot the many species that call the Zambezi home.
