

# Dinner Cruise

EXPERIENCES

This river cruise offers everything and more. Not only the magical colours of the Zambezi River at dusk but a truly unique four-course dinner too. Ideal for food and nature lovers wanting it all. Embark from the Pure Africa Waterfront and head off into the evening. After your favourite drink is poured, you'll be ushered to your set table where a delectable series of dishes freshly prepared on the boat and paired to premium drinks are served.

Silhouettes of elephants against the sunset and hippos noisily grunting in the distance will most certainly add to the ambience.
