EXPERIENCES

An escape into the sunset is the ideal way to spend an intimate couple of hours as a family or small group with Kalunda the ultimate choice for your indulgently hosted Private Sunset Cruise. Small and charming with a distinct personality, Kalunda allows guests to peacefully and intimately explore the Zambezi River's navigable channels as it idles quietly up and downstream.

Whatever the occasion, enjoy exclusive use with decadent canapés and cocktails served by attentive staff. As the sun sets, toast the orange-tinged sky, the lull of the waters and each other.
