

# The Eatery Lunch Experience

EXPERIENCES

Endorsing the art of long leisurely lunches, The Eatery Lunch Experience offers al fresco dining at the Pure Africa Waterfront, inviting you to savour our chef's offering while enjoying uninterrupted views towards the Zambezi shoreline. A focus on culinary design and locally sourced produce sees a selection of freshly prepared dishes attentively served by our team. Think crispy salads, roasted veg, homemade pasta and grilled Zambezi bream.

Whether tucked under ancient trees or perched in the partial sun under over-sized umbrellas, a meal here prolongs your river experience, keeps you close to nature and away from the buzz of the city – affirming there's nowhere you'd rather be.
