

The Eatery Pot Experience

EXPERIENCES

The Eatery Pot Experience at the Pure Africa Waterfront spoils gourmands with a selection of traditional stews prepared in potjie pots and left to simmer to perfection, before being enjoyed al fresco on the banks of the river for dinner. The potjie (pot) dishes offered are Beef, Chicken and Vegetarian, each bringing their own distinct taste of wood-smoked Africa.

Dinner is enjoyed under the stars alongside the Zambezi River, with the meal accompanied by your drink of choice from our curated collection of Pure Africa wines, artisan spirits and craft beers. A distinctly African feast under the stars.
