

CANYON LODGE

20 km east of the Fish River Canyon on the C 37 (Fish River Canyon)

Anticipation builds up as you turn off the main gravel road toward Canyon Lodge. The soft colours of apricot sand merging with the pale green of euphorbias is a prelude to the loveliness of the lodge surrounds. As you turn a final bend, the lodge comes into view. Nestled between rounded granite boulders, Canyon Lodge's quaint century-old farmhouse reception, the verdant garden and cool pond invite and welcome you into the enchanted enclave.

Take a guided drive to the Fish River Canyon to be inspired by new perspectives, to view the plains animals, watch sunrise amidst the quiver trees, hike in the rocky hills or savour the sunset either from the adjacent koppie or on the sunset drive. Away from the world, there is a gentle rhythm of peace to find here, reaffirming the goodness of life. For those just wanting a break from the road, lounge at the pool, take a snooze in the coolness of your thatch-and-stone chalet or dip into a book on the terrace. The awe-inspiring canyon awakens our senses to the raw and powerful beauty of Nature.

Offering character and charm, the lodge's down-to-earth attractiveness and homeliness are perfect for the rugged Fish River Canyon surrounds. Twenty kilometres from the chasms carved by millions of years of Earth history, earth cataclysms, whispers of the wind, raging torrents of water and sparkling streamlets, this Fish River Canyon Lodge is a hideaway not to be missed.
