## VALLEY LODGE

Deception Valley Private Reserve

GPS Coordinates: 20°57'10" S and 23°38'59" E

*An oasis in the Kalahari*

Deception Valley Lodge is nestled on the north-eastern boundary of the Central Kalahari Game Reserve in one of the largest private game reserves in Botswana. Deception Valley Private Reserve spans more than 43 000Ha of pristine Kalahari wilderness. Designated waterholes, hidden viewing hides, vegetated dunes, natural pans and an amazing valley, offering incredible game viewing opportunities.

The lodge also gives you an opportunity to embrace the San bushman culture as they share intricate knowledge about their way of life. This cultural exchange is a fundamental part of the Kalahari experience, adding value to your stay - a human experience.

The luxurious lodge offers a main area with indoor and outdoor dining, swimming pool, gym facility and a charming curio shop. The waterhole is a major attraction and hours can be spent sitting on the deck enjoying the view and activity as the wildlife comes for a drink.

Facilities include 6 very spacious suites each with a separate lounge area, en-suite bathroom, outdoor shower and large viewing deck. There is also a family suite, perfect for a family escape with two ensuite rooms each with its own lounge, with a shared outdoor deck and plunge pool.

Guests can therefore take advantage of wildlife activities, which include: open vehicle game drives in the private reserve, a San trail and nature walk with local Naru tribe and enjoy the clear night skies by star-gazing (subject to guide availability)

Please note: All activities are subject to seasonal availability and weather conditions during the month of travel.
