KAROO RESERVE

STAR BED

ACTIVITY FACT SHEET

ACTIVITY FACT SHEET

OVERVIEW

Samara's star bed offers an unforgettable romantic wilderness experience. Located in total seclusion in a riverside location, the mosquito net covered four-poster bed sits atop a raised platform with panoramic views of mountain and sky, designed for tranquil nights absorbing the serenity of the Great Karoo landscape.

HOW IT WORKS

The star bed experience starts just before sunset with a picnic dinner and sundowner. Guests will take in the spectacular view across the mountain landscape and watch as local wildlife descends to the river to drink. As the night sky develops, guests will be in a prime position to admire the canopy of constellations that gathers overhead.
