

Linyanti Expeditions

LINYANTI WILDLIFE RESERVE, BOTSWANA

OPEN: APRIL 1 - NOVEMBER 30

AN ADVENTURE IN THE CHOBE ENCLAVE

Linyanti Expeditions is a seasonal Experience situated in a private concession bordering the Chobe National Park. Linyanti Expeditions exudes a bygone era and is ideal for safari-goers seeking to emulate a pioneer-style safari of yesteryear.

The Experience has an intimate atmosphere with only six luxury tented suites, ensuring a personalized service for each guest. The main area has two canvas-covered hubs; a dining area with an exposed kitchen and an open lounge. As with most of our Experiences, the campfire is at the centre, drawing guests to gather and share stories under the starry African sky.

Each tented suite has en-suite bathrooms with a safari-style rain shower. The 'wow' factor in the rooms is the 'star suite'. Each tented suite has a gazebo extension, which gives the experience of sleeping beneath a blanket of glimmering stars, immersing yourself in the wonders of the wilderness while remaining in the safety of a mesh-enclosed area.

At night, guests are welcomed to the main tented area for a dining extravaganza with an open fire. If guests are looking for a bit of downtime, they can relax and enjoy exquisite views overlooking the vast Linyanti Wetlands. The Chobe Enclave offers an abundance of wildlife species, including large herds of elephants and buffalo, making for exhilarating walking safaris, which are the main focus at Linyanti Expeditions.
