## Africa Safe-T

---

All our lodges are affiliated with Africa Safe-T, a medical rescue organisation, which provides an immediate response for emergencies – fixed wing planes and helicopters.

Arrangements can also be made should there be a need for a doctor. The closest doctor would be in Hoedspruit – a 50-minute drive. The cost will be charged to the guest's account.

## Travel Insurance

---

It is the Guests' sole and absolute responsibility to ensure that they have adequate and suitable comprehensive travel and medical insurance in place to cover themselves, as well as any dependents | travelling companions. This insurance should include cover in respect of, but not limited to, the following eventualities: cancellation or curtailment of the booking, emergency evacuation expenses, medical expenses, hometown repatriation expenses, damage and/or theft / and/or loss of personal property, baggage, money, and goods.

Thornybush, their representatives, directors, officers, employees, and agents will not be responsible for any damage, loss, costs or expenses incurred or suffered by the guest, or guest's dependents or travelling companions, as a result of or in connection with any of the abovementioned events.

Guests will be charged directly by the relevant service providers for any emergency services they may require and may find themselves in a position unable to access such services should they not be carrying the relevant insurance cover.

# FAQ's

## What is the weather like?

Daytime summer temperatures (September – April) are high and may soar above 36°C/97°F. Evenings and early mornings are warm. Winters (May – August) have chilly nights and crisp early mornings (minimum 3°C/38°F), but the days are fine and warm. Rainfall occurs predominantly in the summer months from October to April in the form of magnificent late afternoon/evening thundershowers.

## What should I pack for my stay?

The dress code is informal and neutral colours are recommended. A warm jacket/scarf and beanies for winter and evening safaris. Comfortable walking shoes, a bathing costume, binoculars, camera and video camera. Sunhats, sunscreen, and sunglasses. A select range of safari clothing and amenities are available for purchase in our Curio Shops.

## Should I take Malaria Medication?

The lodges are situated in a low-risk malaria area. Precautions are taken annually to treat the lodges and minimize risk. We recommend you consult your medical practitioner on anti-malaria prophylactics.
