

# AC HOTEL LIMA MIRAFLORES

When designing AC Hotels, we focused on the essentials of a beautiful stay and have created an experience unlike any other. We focus on making our guests feel the comfort of being at home, while offering a luxurious experience tailored to their needs and desires. Since we understand that our guests are used to traveling, AC Hotels focuses on all the small details that can improve our service and your overall stay.

AC Hotel Lima Miraflores offers an unbeatable location at Malecon de la Reserva, with a stunning ocean view. In summer, beautiful sunsets are part of the hotel's landscape, since they can be seen from the AC Lounge, most of the rooms and the rooftop. In addition, AC Hotel Lima Miraflores is located a few minutes' walk from popular attractions such as Kennedy Park, where travellers immerse themselves into the local culture, the Indigenous Market, where beautiful handcrafts can be bought. Guests also have the convenience of being next to Larcomar, an upscale shopping center with a vast variety of renowned restaurants and stores; which is also the hub of the best Peruvian artistic scene and theatre.
