5-star luxury meets beauty and tranquillity

Escape to Intle; a boutique hotel set on 800 hectares of hills, valleys, thickets, and fantastic hiking and cycling trails. A beautiful piece of heaven just 45 minutes from Port Elizabeth Airport, Intle Boutique Hotel is set on a hilltop overlooking the grasslands, featuring a wooden deck with a swimming pool and 360 views from Signature restaurant where guests can enjoy seasonal dishes with a local flavour. With just nine rooms on a vast reserve, Intle is an intimate hotel experience with space to roam freely among grazing game such as giraffe, zebra, various antelope and birds of prey.

Intle Boutique Hotel - A Gateway Destination

A sweet spot between Knysna and Port Elizabeth - Intle Boutique Hotel lies at the centre of the best attractions along South Africa's coast as it transitions from Garden Route forests and rugged beaches to the Eastern Cape's dune ranges, rivers, and wild bushveld. A typical drive to connect you to these bucket-list destinations is about 5 hours, however, a stay at Intle breaks the long journey and allows travellers to see more of the rich culture and adventurous spirit of South Africa.

Guests can drive to Intle Boutique Hotel from the Garden Route along the N2 or fly in and drive from Port Elizabeth International Airport or the game reserves of the Eastern Cape.

Nature

From anywhere in an around Intle Boutique Hotel; your eyes are met by the peaceful landscape and the gentle game which bring the bush to life. You can kick off your shoes and just watch the natural beauty, or put on your hiking boots and connect with nature. Rise early and join the sun as it comes up over the hills and greet the giraffes, zebra, antelopes and birds.

Food

One of the highlights at Intle is the food experience; even the simplest plate of fries and a burger is a refined construct of perfectly balanced flavours. The onsite SigNature Restaurant serves delectable menu choices for breakfast, lunch, snacks and dinners, made with seasonal ingredients sourced from the Gamtoos Valley.
