BOGOTA METROTEL

At Radisson Bogotá Metrotel Hotel, we are committed to delivering a clean and safe environment for our guests and team members. The world has been fundamentally changed by COVID-19 so it is key that we strive to protect all who work, stay and partner with us as we are open our doors to a new era of travel. To do this we have thoroughly examined all areas of the hotel experience, and we are proud to have implemented the prevention protocol established by the Ministry of Health and Social Protection of Colombia regarding the emergency of the new coronavirus.

A modern hotel room with a large bed, a chair, and a desk. The room is dimly lit, with a blue tint. The bed has white linens and a large headboard. A chair is visible on the left, and a desk is partially visible. A framed picture hangs on the wall above the bed.
