

THE GEM OF PLETTENBERG BAY

Located in the centre of Plettenberg Bay, the newly renovated and soon-to-be 4-star graded, Bayview Hotel is surrounded by a host of vibrant shops, art galleries, nightlife and restaurants and is still within 800 metres of 2 of Plett's 6 Blue Flag status beaches. Boasting 36-ensuite rooms, we are perfectly suited to families, local and overseas travelers, tour groups and business travelers.

As one of our valued guests, our friendly and professional staff are sure to make your stay an unforgettable experience, for which we recommend an (absolute minimum!) of 3 nights to explore at least some of Plettenberg Bays' endless activities and adventures.

The Bayview Hotel team is eager to assist with recommendations on various activities, such as ocean fishing & diving excursions, hiking, sailing, bird watching, bungee jumping, and whale and dolphin watching, to mention a few, all of which are in close proximity to the Hotel.

FEATURES

- 36 rooms ranging from Classic, Premium, Deluxe and our flagship Family Suite
- Rooms offer breathtaking views over the Keurbooms River, Lookout Beach and Tsitsikamma mountain range
