

Golf At Leopard Creek with Lukimbi

Book a game of golf at Leopard Creek

Leopard Creek Golf Course borders the Kruger National Park, and is located just an hour away from Lukimbi. It is world renowned for its design (by South African born international golfer, Gary Player) and its location, and is popular with both amateur and professional golfers alike.

Golfing hazards take on a new dimension at Leopard Creek, for much of the water is home to the namesake of the river nearby; crocodiles. Extensive use has been made of water features, and sightings of crocodile, hippo, antelope, buffalo and elephant are commonplace on the course.

The 505 meter par-five 13th is one of Leopard Creek's most memorable holes. Here the green is right on the edge of the Crocodile River but 32 meters above the level of the water, offering magnificent views up the river and into the Kruger National Park.

Gary Player is especially proud of the par-five 18th with its island green and the par-four 9th with its peninsula green jutting out of the same body of water.

Our guests have the option of booking a game of golf at Leopard Creek. A round on the pristine 18-hole course takes around 4.5 hours to complete, depending on the time of year we will suggest suitable tee off times to suit the climate and gate times. We can arrange an airconditioned transfer vehicle at an additional cost if required.

We recommend that golfing is pre-booked prior to arrival to avoid disappointment.

Please enquire with us as Lukimbi Safari Lodge has a preferred partnership with Leopard Creek.
