

For Couples and Honeymooners

Making Memories and Sharing Meaningful Moments

Whether you are exchanging vows, on your honeymoon or celebrating a milestone anniversary, we take our responsibility in crafting an extraordinary experience for you very seriously.

Our Luxury Suites are romance personified. Ample space encourages shared moments – be that on the deck, at the poolside, in the double-volume stone bathtub-with-a-view, or in the secluded outdoor shower. Mealtimes are thoughtfully designed with privacy in mind. A table for 2 in our wine cellar, on the lower deck overlooking the river, or in an alcove under the stars in our boma make dining a special treat. You also have the option of reserving your own private safari vehicle should you prefer to head into the wild with no-one but each other, and your own guide and tracker. A glass of bubbles in the bush at sunset is a very good way to end a day in Africa...

We love a surprise and a bit of mystery, and you can expect a few unexpected treats while in our care.

Spend your honeymoon with us!

We know that your honeymoon should be the most special holiday of your lives and we do everything in our power to achieve this. Enjoy a complimentary bottle of sparkling wine from the privacy of your deck and delight in a private dinner for just the two of you at one of our mystery romantic venues.
