CLIFF LODGE, ULUSABA

Ulusaba means “place of little fear”. That’s because the koppie where Rock Lodge sits provided the ancient Shangaan warriors with the perfect lookout point.

Located just a short walk away from the Main House at Rock Lodge, Cliff Lodge features two magnificent suites offering guests the ultimate safari escape.

It’s perfect for families, friends or an occasion where you might just like the place to yourselves.

With some of the best views in the Sabi Sand, Cliff Lodge provides a unique and exceptional experience - so grab a pair of binoculars and see what you can spot!
