

Bumi Hills Safari Lodge

LAKE KARIBA, ZIMBABWE

A PLACE OF OUTSTANDING NATURAL BEAUTY ON A SECRET RIVIERA IN THE HEART OF AFRICA

Bumi Hills Safari Lodge, perched on a ridge overlooking Lake Kariba and the game-rich shoreline, boasts one of Africa's most spectacular vistas. Taking centre stage is the beautiful infinity pool that seems to blend seamlessly into the lake horizon. The lodge interiors have been beautifully finished in a fusion of contemporary Western and African styles, giving Bumi Hills the feel of a secret African riviera.

Bumi Hills Safari Lodge is situated on an extensive private wildlife conservation area that is home to lions, leopards, herds of elephants and buffalo. Guests can indulge in a wide range of activities, including game drives, walking safaris, boating safaris, lake cruises and fishing. These activities are carried out on the Bumi Hills Conservancy, not within the Matusadona National Park. Bumi Hills Safari lodge is the perfect place to unwind and reenergize in the wilds of Zimbabwe.

All ten luxury suites are replete with air-conditioning, en-suite bathrooms, a hairdryer, battery charging points, a mini-bar and a private viewing deck extending spectacular views of the lake and its surrounds.

The Baobab Villa, Bumi Hills' two-bedroomed private luxury villa, complete with its own living room, bar and indoor and outdoor dining decks, is ideal for families. The villa offers a personalized experience with the services of a private butler, safari guide and a dedicated safari vehicle.
