1. Via Salima – the quicker route.
2. Via Dedza – the scenic route.

- ❖ Take the 'airport road' out of town (M1 North)
- ❖ After approximately 20kms, you will see a bus layby to your right and a large billboard.
- ❖ Just after the layby and before the billboard, turn right (Salima Road intersection M14).
- ❖ After 1km you will pass large grain silos which will confirm you are on the correct road.
- ❖ Drive approximately 80km east towards the lake.
- ❖ You will get to permanent police roadblock. There is a Total Garage on your right.
- ❖ Continue for 5km until you see a right turn with a sign for Blantyre.
- ❖ Turn right here on to the M5 going to Blantyre (you will pass a filling station on the corner).
- ❖ Follow this road for approximately 80kms (after 75km you may see a sign for Monkey Bay onto a dirt road – DO NOT TAKE THIS ROAD).
- ❖ You will then see the left turnoff to Monkey Bay, green signpost "Monkey Bay M10". You will see an Energem petrol station on the left after you turn and a wood carving market on the right.
- ❖ (Look out for the railway tracks crossing the road. This railway is not functional but it's worth slowing to avoid damage to your car.)
- ❖ Drive approximately 60kms.
- ❖ At the T-junction, turn left towards Monkey Bay (S128).
- ❖ After 5km turn left at the Energem filling station towards Cape Maclear.
- ❖ You will now be driving on a dirt road.
- ❖ After 4km you will reach a crossroads where there is a Pumulani sign on the left of the 4 way crossing.
- ❖ Turn left here.
- ❖ You will reach a fork in the road and a Pumulani sign. Keep right.
- ❖ Keep going until you see another fork in the road. Keep right again.
- ❖ Continue until you reach next Pumulani sign.
