Knysna Sunset Lagoon Sail Cruise

INTRODUCTION

Depart George for the most beautiful sun-set cruise on the Knysna Lagoon. The lagoon is more accurately defined as an estuary, has five fresh water rivers flowing in from the surrounding Outeniqua Mountains meeting with the surge of sea water from the Indian Ocean through the mighty headlands - known as the Knysna Heads - the grand sandstone cliffs towering above the entrance to the lagoon. Witness spectacular sunsets over Knysna and toast the end of the day with a glass of bubbly and oysters.
