

SCENIC FLIGHTS

UNIQUE FLYING ADVENTURES

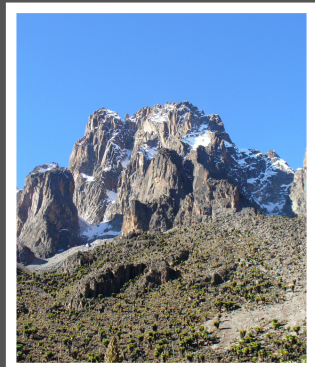

FLY AROUND MT KENYA!

VIEWS OF AFRICA'S SECOND HIGHEST MOUNTAIN

An early morning wakeup starts with a drive to the airstrip at sunrise for a 6:45 AM wheels up departure to view the majestic peaks of Mount Kenya from 15,000 ft. Taking off from the Lewa airstrip gives you views of wildlife roaming the savannah before the aircraft starts to climb up over forests, farmlands, lakes, and hills. All the while you will have the clearest views of the snowcapped peaks.

1 HOUR | \$700 | 4 PAX MAX

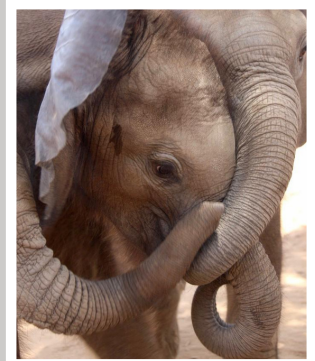

VISIT RETETI ELEPHANT SANCTUARY!

A REFUGE FOR BABY ELEPHANTS IN THE REMOTE MATTHEWS RANGE

After a 30 minute flight, departing at 07:30 from the Lewa airstrip, you will land at the Reteti Elephant Sanctuary Airstrip. Your pilot will set up a breakfast table under the aircraft wing and you can enjoy a relaxed breakfast before visiting the elephant orphanage. You will see the small elephants receiving their daily milk meals and get a detailed briefing by one of the guides on the aim of the sanctuary and how they support wildlife conservation in this remote part of Kenya.

3 HOURS | \$900 | 4 PAX MAX

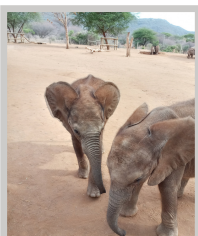

FOLLOW THE EWASO NG'IRO RIVER!

THE SOURCE OF LIFE TO MUCH OF NORTHERN KENYA

This scenic flight takes off at 4:30 PM with the first few minutes spent flying over Lewa before heading over the ridges and valleys and onto the open arid lands of Samburu! The flight follows the Ewaso Ng'iro river giving you the chance to see elephants along the shores. You will land at a bush airstrip where your pilot will set up an early sundowner drink for you. After about 30 minutes on the ground, you will take off and head back to Lewa.
