

## **BIG SKIES TRANSFER & PARKING FEES**

The road leading to the camp is challenging, and ***only skilled drivers with suitable 4x4 or all-terrain vehicles should use it.***

If self-driving to the camp is not an option, **we provide secure guest parking in Manguzi, which has 24/7 security.** Our **Reservations team will arrange return transfers** to the lodge, at an additional cost with our trusted community partner. All transfers are to be pre-booked, during the reservation process.

***Scheduled transfer times and rates (please note that the transfer costs may increase subject to fuel costs).***
