## WHITE SANDY BEACHES AND SUNSET CRUISES

White sandy beaches and the shimmering Zambezi River led the design aesthetic for our riverside wedding package. Luxury cruise boats transport guests to an enchanting ceremony site, a hidden gem along the blue-green stretch of the Zambezi. From the river, it looks as though the trees have been gently parted to reveal an exquisite oasis where you will say you I Do's. The serene setting comes to life with vibrant floral arrangements, creating a beach vibe that harmonizes with the surrounding wilderness.
