

KLOOF STREET

HOTEL

OVERVIEW

Kloof Street Hotel – as the name suggests, it is situated in the trendy and vibrant Kloof Street, surrounded by an eclectic mix of trendy bars, artisan eateries and shops.

One of our largest properties to date, this 66-room beauty will mirror its trendy Kloof Street neighbours, while maintaining the boutique feel that all Lion Roars properties are known and loved for.

Its showstopper is the two exclusive and spacious Executive Suites, which offer all the mod-cons you could need, as well as breath-taking 360° views of Cape Town's skyline and mountains.

The 19 Pods, a unique concept aimed at the Millennial Market, will offer affordable, luxury accommodation, while the Luxury Rooms and Suites will cater to the more traditional Corporate and Leisure Markets.

Strikingly natural in decor and vibrant in personality, this theme carries up to the first-floor deck with its bar, pool, loungers and tables for those who'd prefer to dine al fresco. With its lush greenery, many sunny spots, and an ice-cold Pina Colada in hand, you could be forgiven for thinking you were somewhere tropical, instead of in the middle of Cape Town.
