WELCOME

Situated on the picturesque Thesen Island, within the scenic Knysna estuary, the Turbine Boutique Hotel and Spa is a fascinating mixture of history and innovation. This 5-star hotel on South Africa's famous Garden Route was converted from an old power station, the massive turbines and intriguing steel pillars of its steamy history now form its playfully funky décor, creating a truly unique destination.

ACCOMMODATION

The hotel features 24 individually decorated bedrooms, all shaped around the hotel's beautifully restored industrial past. The interior décor reflects the rich cultural, historical and geographic diversity of Knysna boasting modern essentials including large showers and separate baths, king-size extra-length beds, 32" Plasma TV's with DVD players and a DVD library, fully stocked mini bars, tea and coffee facilities and air conditioning.

DINING

The Turbine Boutique Hotel and Spa serves up a delightful array of dining experiences. Enjoy imaginative breakfasts, al fresco light lunches and gourmet dinners in the Island Café. The Gastro Pub at Turbine is a popular meeting place with a welcoming atmosphere, an outdoor deck and hearty, delicious gastro pub fare. Sample the tempting range of craft beers too, or savour some of South Africa's world-class wines with a selection from 18 local and coastal wine estates.

LUXURY SPA

For the ultimate in pampering, book a treatment at our luxurious on-site Amani Spa. The spa features single and double treatment rooms with a full range of body and beauty treatments for him and her. A favourite is the Africa Body Ritual, a 90-minute treat using the restorative quality of crystals, warm oils and flowing movements to reduce muscle tension, balance your energies, release stress and restore a feeling of wellbeing. Or try our rasul steam room to feel your cares evaporate away.

ACTIVITIES

A place of endless oceans and jagged mountains, rolling vineyards and quaint country villages, Knysna provides the perfect playground for visitors to explore. Enjoy a leisurely cruise around the sheltered Knysna Lagoon to admire the Knysna Heads. Gear up for a day in the saddle for a guided bike ride along the flat coastline, a wine-tasting cycle trip to nearby vineyards or a heritage ride with a stop to view the endangered Knysna seahorse. A guided hike through the ancient Knysna Forest will lead you past magnificent 900-year-old trees to a small waterfall or up to the abandoned Millwood mining village. In town, you'll find the Red Bridge Brewery and the Waterfront, a lively shopping area with boutiques and African crafts.
