Within the Chobe National Park lies the fascinating game rich Savuti area. Ghoha Hills Savuti Lodge is ideally positioned on the edges of the Ghoha Hills overlooking the Savuti Plains. Designed and built to blend into the natural surrounding environment and the elevated position assures spectacular unparalleled 180 degree views.

The understated elegance of the décor, the views and the attention to your comfort is a perfect mix to make your safari extra special. The thatched main area has an open dining area, bar and various small lounges overlooking an active waterhole. We have a refreshing pool, gym and a spa to take care of the mind, body & soul.

With various seating areas and WiFi, this is the perfect area to enjoy the resident wildlife and keep in touch with the family back home.
