

Ghoha Hills is approximately 150km south west of Kasane and 230km north east of Maun.

GPS Co-ordinates for Ghoha Hills Lodge

S 18°26'11.11" E 24°13'33.28"

Directions from Kasane to Lodge

You need 4x4 vehicles to drive from Kasane to Ghoha Hills

From Kasane Airport take A33 towards Sidudu Gate – Ngoma Wildlife Gate – Mabele Village – Kavimba to Katchikau – a distance of 99km – approx 1.5 hours' drive. The tarred road ends at Katchikau and becomes a sand road – 3km from Katchikau the sand road joins the firebreak road – proceed on this for 40km to T-Junction. Turn left at T-junction and travel east for 7km until you reach the Ghoha Wildlife Gate on the right. Enter Ghoha gate – from there travel 7km where you will find a signboard on the left for Ghoha Hills Savuti Lodge – turn left and follow the road round to the top of the hill proceed to parking area.

There will be signage at all intersections on the dirt roads which you have to observe carefully.

Directions from Maun to Lodge

You need 4x4 vehicle to drive from Maun to Ghoha Hills.

From Maun head east towards Mawana Check Point – first 38km is tar road then becomes sand road. After passing through the Mwana check point continue straight you will pass through the villages of Sankuyo – this is approx 55km until you reach the Mababe Wild Life Gate. From Mababe Gate it is 66km to Savuti Wildlife gate with long stretches of heavy sand. From Savuti Wildlife Gate it is 25km where you will reach Ghoha Hills Signboard on the right. Turn right and follow the road round to the top of the hill proceed to parking area.
