

## DAMARA MOPANE LODGE

20 km east of Khorixas on the C 39 (Damaraland)

As if an African kingdom of old, Damara Mopane Lodge is constructed in a semi-circle of interlinking pathways leading to a lavish swimming pool at its centre. Innovatively designed, each chalet has its own small garden planted with vegetables. Bright yellow sunflowers peep out between verdant spinach, beetroot and zany scarecrows, creating an enchanting lodge setting. The labyrinth of walkways leads to a large and cheerful central area. A wash of fresh green brightens the interior as does the heart-shaped mopane leaves stencilled throughout the lodge. Situated near Khorixas en route to the famed Twyfelfontein engravings, Damara Mopane Lodge incorporates the spirit of Damaraland and the Damara people, extending its hand to locals and visitors alike in a 'Hello neighbour' greeting, linking cultures and nationalities.

A highlight at the end of the day is to ascend the hill to a viewing platform for a sweeping vista of the mopane woodland illuminated by the setting sun. It also is the best spot for a sundowner drink and to gain a view of the intriguing construction of the lodge. As the day darkens it's time to return to the restaurant where a fire burns in a grate and a delicious supper awaits - served with a fine selection of fresh vegetables and herbs! Damara Mopane Lodge is a Damaraland lodge that charms guests with its original themes, touching hearts and eliciting smiles. Whether sitting on your stoep looking out onto your vegetable garden, swimming in the pool or celebrating sunset from the deck, this novel and delightful lodge provides a good base from which to explore the rich sandstone treasure of Damaraland.
