

TRAVEL Overview

WHAT YOU NEED TO KNOW BEFORE YOU GO

Traveling to Kisawa Sanctuary

THE BASICS

Mozambique is open to all travellers from all countries.

WHO CAN GO

For those holding a passport from one of the **29 countries** nominated in the **new tourism visa waiver**, there is no need for pre-application and the **cost is 11 USD / 10 EUR / 200 ZAR** per person, in cash. The payment can also be made via **Visa/Mastercard** at the airport, however we recommend cash for a faster customs experience.

Countries included in the visa waiver are: Belgium, Canada, China, Denmark, Finland, France, Germany, Ghana, Indonesia, Ireland, Israel, Italy, Ivory Coast, Japan, Netherlands, Norway, Portugal, Russia, Saudi Arabia, Senegal, Singapore, South Korea, Spain, Sweden, Switzerland, UAE, UK, Ukraine and USA.

For all other nationalities a tourism visa is mandatory and can be purchased at either Vilankuolos (VNX) or Maputo (MPM) airports for **50 USD / 1000 ZAR** in cash, or the payment can be made via **Visa/Mastercard**.

For now, we recommend avoiding applying for the Mozambique e-visa online, as it's not consistently accepted by customs and requires guests to pay **double the amount**.

WHAT ARE THE COVID-19 RESTRICTIONS?

As of April 2023, visitors are no longer required to provide negative COVID 19 PCR tests of vaccine certificates.

FOR DEPARTING PASSENGERS

Please check the Covid-19 requirements at your final

destination before leaving Mozambique.

TRANSFERRING THROUGH SOUTH AFRICA

There is currently **no requirement** for a Covid-19 test or vaccine certificate to enter / transit in SA.

ABOUT VNX AIRPORT

Vilankulo airport is a **small, regional** African airport. Immigration queues are currently **longer than usual** (from 30 mins - 1 hour wait time). To negotiate this, Kisawa recommends:

- Select seats at the **front of plane** where possible, so you are first in line post exiting the aircraft
 - Ensuring you carry **cash** for visa payment
- Our airport team will be on hand to assist, however there is **no fast track or priority lanes** within VNX airport - all charter and private flights go through the same "first come, first served" channel.

WHAT CAN KISAWA SANCTUARY VISITORS EXPECT?

On arrival at Kisawa, guests are free to enjoy the breadth of the Sanctuary **mask free**, and without restriction.

Because of the scale of only 11 residences set among Kisawa's **300 hectare property**, and the privacy implicit in Kisawa's design, the sanctuary is blessed with a wealth of open air spaces, vast physical distances between bungalows, private guest vehicles and few common touchpoint areas.

An on property **medical clinic**, run by [All Around Medical Solutions](#) in Mozambique, oversees all COVID-19 testing and protocols at Kisawa Sanctuary, with a medic on hand for support.
