

ROVOS RAIL EVENTS TRAIN

A perfect venue for weddings, private gatherings, incentives, conferences and product launches accommodating up to 250 guests.

Since its establishment in 1989, Rovos Rail has earned an international reputation for its truly world-class travel experiences. With discreet and friendly service, fine cuisine and a selection of South Africa's top wines, Rovos Rail harks back to a simpler, more elegant era encompassing the timeless grace and high romance of African exploration. Limited only by time and distance, there are many alternative uses for the Events Train, which include a three-hour circular trip around Pretoria or a one-way journey to any destination within eight hours' rail travel time from Pretoria. Only suitable for daytime journeys and depending on the number of guests, the Events Train can host – with full bar facilities – a four-course sit-down lunch or dinner for up to 120 guests OR for up to 250 guests, canapés served for the duration of the journey.

ROVOS RAIL STATION A highlight for guests is a visit to the private station headquarters in Capital Park, Pretoria. The low, red-bricked buildings alongside the new 300-metre platform house gleaming stainless-steel kitchens and well-stocked storerooms. This is the busy hub of a provisioning operation, which rivals that of a world-class hotel in terms of efficiency and attention to detail. As the train is narrow and makes a clickety-clack sound along the tracks, we encourage the hosts to make use of the spacious and luxurious station lounge for speeches; there is no charge for this and it can be styled as you wish. We suggest you obtain the services of an event planner. Site visits are most welcome. [SEE 3D TOURS >](#)

CUISINE An enthusiastic team of chefs is responsible for overseeing the very important task of ensuring guests' every need is catered for. There's an accent on fresh local ingredients and traditional dishes are a specialty. Meals are served in the dining cars and are complemented by a selection of fine South African wines served by the glass. If you'd like specialist items, we are happy to provide them for you at an additional charge. We pre-print the menus with our logo on custom recycled paper to fit our presentation covers. If you wish to personalise the menu, we can arrange this with 15 days' notice at an additional charge.

DIETARY REQUIREMENTS We will do our best to cater for dietary requirements provided a detailed request has been made at that time of your reservation. If a request has not been made, the chefs will endeavour to prepare suitable meals with the ingredients available on board. We regret we are unable to prepare meals requiring strict religious observance in the preparation.
