TRADITIONAL MASAII AND KURIA BLESSINGS

Asilia

There is nothing more intimate than a traditional Tanzanian blessing. Just like our safaris, Kuria and Maasai blessings are exclusive and elegant in the most spectacular of settings, surrounded by the simple romance of the bush. The blessing will take place in a clearing close to camp under

the watchful eyes of the ancient trees that dot the plains. After the exchanging of the vows, guests will enjoy sundowners to the beat of the traditional African wedding dance before dinner is served in camp under the majestic night sky.

Whether your guests are looking for an African blessing or a wildlife safari honeymoon destination, Asilia Africa will treat you to the most luxurious and adventurous experience imaginable. Asilia Tanzanian blessings are a celebration of love, tradition and unforgettable memories.

Guests can choose from a traditional Maasai or Kuria bush-style affair. Our camps will cater for your guest's specific wishes. Happy couples can exchange vows in a charming setting or on a picturesque kopje overlooking the

endless plains of the Serengeti. Our camps and lodges natural canvas offers exquisite backdrops for photographs and newlyweds can honeymoon in our romantic honeymoon suites in solitude.

Asilia Africa is here to make it the most memorable day of the couple's life. Our venues range from a variety of exclusive and luxury locations in the Serengeti, Ngorongoro and Tarangire National Park.

Asilia Serengeti, Ngorongoro and Tarangire camps can arrange two different styles of blessings; Kuria and Maasai blessings.

- Traditional Maasai blessings take place at Oliver's, The Highlands, Namiri Plains and Dunia.
