Frequently asked questions:

Can we have the wedding ceremony on the beach?

We do not recommend this as the Beach is a public area and we can thus not control who will be joining in on your ceremony. The locals will find it very interesting and you will soon start having a crowd form around your set-up. Further the kitchen and catering facilities are quite a distance from the beach and thus in practical terms it just does not work well. Instead, we recommend that you have the ceremony on our beautiful wooden deck overlooking the bay.

Are there any florists in Vilankulo?

Unfortunately not. There are 2 options for flowers, either arrange them with your florist in South Africa and the fly them into Vilankulo or make use of the florist in Maputo, who has experience in this and could make the arrangements for you.

What about a DJ and sound equipment?

As for DJ and sound system we can assist you with arranging the local DJ who can provide the lights & sound system. However, you will need to pay him directly and cannot add this to your account at Bahia Mar. It is roughly \$ 500 for the night, but please let us know and we can get in touch with him for updated rates and availability.

Is there a Preacher in Vilankulo who could host the ceremony for us?

We recommend that you get married in your country of residence as to legalize your wedding here in Mozambique will not be possible. We can assist by arranging a Preacher (not Priest) who can host the ceremony and say a few words to bless this special event. He can meet you a day or 2 before the ceremony so that you can have a chat during which you can let him know what you would like to be said or any other details needed. He is paid upon donation and we suggest a minimum of \$120 for this service. You will need to book him in advance. Let us know and we can assist you with this reservation.
