MARA NABOISHO CONSERVANCY

Adjacent to the Masai Mara National Reserve, the 200km² Mara Naboisho Conservancy is a ground-breaking success story of conservation and community development. The conservancy experience boasts a variety of activities amidst spectacular year-round game viewing with high concentrations of predators, combined with authentic community interaction. In the heart of it all is the recently upgraded Naboisho, a stylish haven with nine elegant tents, offering a level of safari solitude almost unheard of so close to the Masai Mara.
