Enhance your inner beauty and achieve optimal results through our tailored skincare rituals.

Healing Earth massage rituals draw on traditions from around the world, while keeping authentic African rituals at the heart of each treatment.

The rich blends of natural ingredients used in each massage are formulated to hydrate, relax, detoxify, balance and uplift.

Our hand and foot treatments include traditional African rituals combined with modern grooming techniques. All Healing Earth Retreat treatments have been designed to benefit men, women and children.

Please book at Reception.
