Enjoyed the stay, friendly staff from check in, until check out and during the whole stay. We enjoyed the breakfast and also the good service. We could also have a BBQ after we finished our business trip

### SAVED OUR HOLIDAY

The Mole was a Saviour on our trip when the other accommodation was a failure. The Mole is so close to the beach, the staff are awesome and the rooms are comfortable and very clean and most important they have very good coffee at breakfast. We had a wonderful stay here and its decently priced too.
