

ENDEAVOUR
SAFARIS

FULLY SERVICED MOBILE CAMP

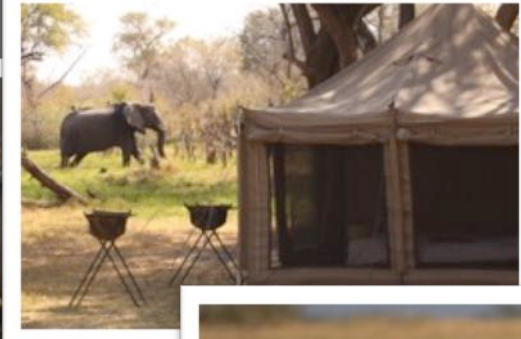

Endeavour organizes fully serviced and semi participation **mobile tented camps**: Tents to sleep in with either shared ablutions (semi participation) or **en-suite toilet and shower** (fully serviced), and a **mess tent** next to the kitchen; all set up in the heart of the wilderness! Endeavour has no limitations, because we can visit and set up our camps wherever we go.

Our camps are also **accessible** to children of any age, the elderly, and those with sensory and motor difficulties (people with disabilities).

These safaris have been designed in such a way as to ensure maximum **comfort** and respond to the demands for freedom and security for families, seniors, people with limited mobility and anyone who prefers a product more **luxurious but still adventurous African style product**.

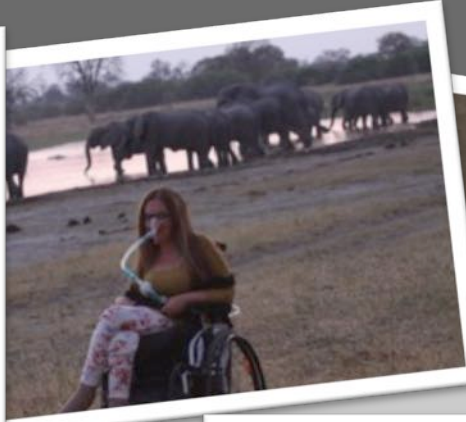

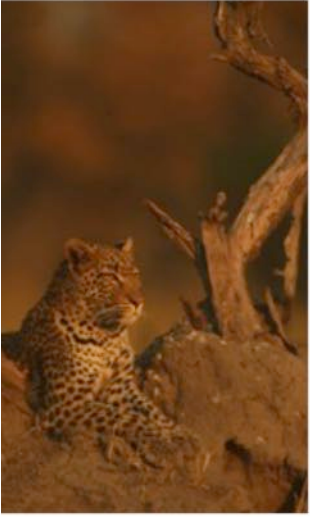

PIONEERING INCLUSIVE AND RESPONSIBLE TOURISM

In our camps we set up **large tents** of 4.5 m x 3m x 2 to 2.5 m, built with a thick layer for insulation on the ground and a partition between the bedroom and private bathroom interior. The tents can be **double, single or family** (with 1 or 2 children). The tents have large windows with mosquito gauze. In the bathroom there is a **chemical toilet and a hot bucket shower**, and for those with mobility problems, are equipped with chairs with padded seat and folding armrests for easy transfer from wheelchair to shower or toilet. In the bathroom is also a small linen closet with shelves

PIONEERING INCLUSIVE AND RESPONSIBLE TOURISM

All meals are prepared by the chef, taking particular care to prepare delicious **homemade food**. Each back up vehicle has a freezer allowing meals to be fresh and safe.

All our **vehicles** are equipped with a **hydraulic lift** to allow access to the vehicle, even for those who use wheelchairs or have mobility problems. Inside the vehicle, a **security-mounting system** is installed to secure wheelchairs to the floor in 4 different points during game drives or transfers.

All our guides are professional and licensed, registered with the relevant authority. During your safari, you will always be accompanied by your guide for the duration of the itinerary.
