LIUWA PLAIN NATIONAL PARK

Liywa Plain is unspoilt and exclusive with rare game and a rich natural heritage. It is home to large herds of wildebeest, the Lady Liywa lion pride, cheetahs and clans of up to 50 hyenas. From January to May the annual floods turn plains into a haven for migratory birds. Large flocks fill the sky, including crowned cranes and Africa's largest wattled crane population.

With the vast plains, dramatic skies, incredible birdlife and annual wildflower blooms, Liywa Plain is a dream come true for photographers.

STAYING IN LIUWA PLAIN

ON THE OPEN PLAINS

A natural extension of the vast landscape, Time + Tide King Lewanika is designed to have an effortless flow between the inside and outside. The golden hue of the plains is reflected throughout the design, contrasting against masculine accents of vintage leather and burnished metal. Lounge on your private verandah, taking in the panoramic views and watching birds wade in the lily dotted lagoon. Gather around the evening campfire, swapping tales under the stars. Hear the calls of whooping hyenas as you drift off to sleep. Stop, slow down and fully immerse yourself into this wild land.

CAMP

The wildebeest move back into the south to start dropping their calves

The floodplains slowly begin to fill, creating a watery wonderland. Great time of year for birdwatching and boating.

GREAT ALL SEASON

- + Endangered wattled crane sightings
- + Hyena action - see a whole new side to these fascinating creatures
- + Landscape photography - every season offers something different from wildflowers to thunderstorms

The annual wildflower blooms are at their best in October and November.

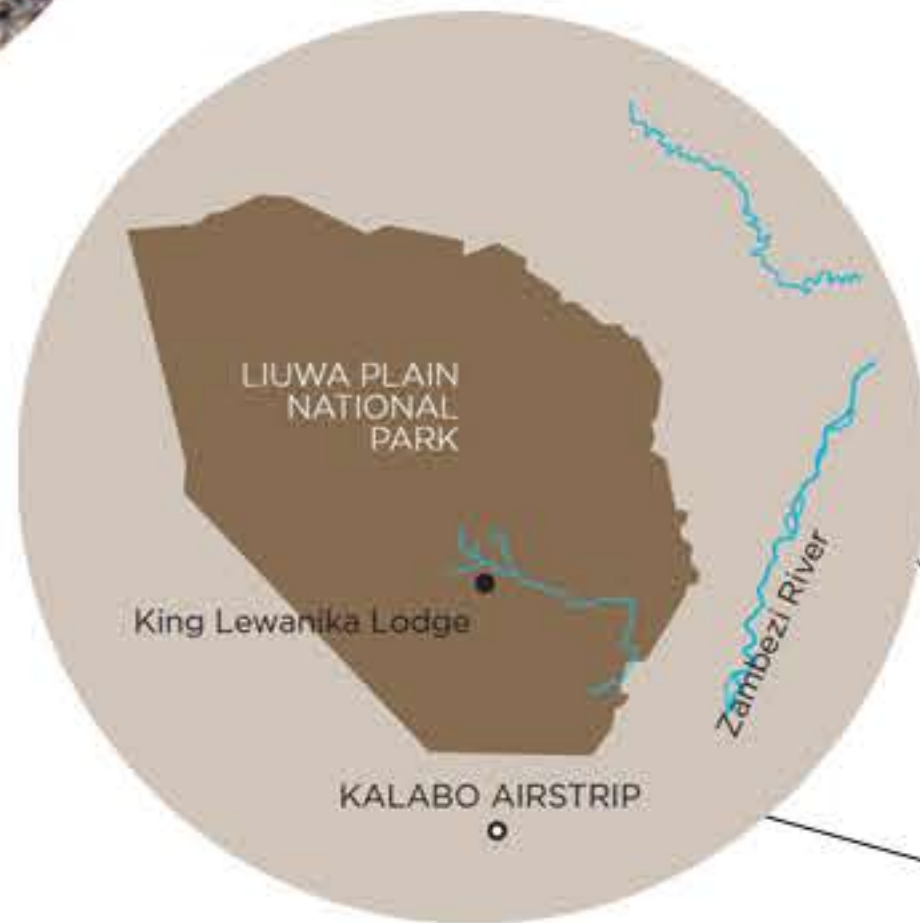

With wildebeest abundant around camp, this is a great time to see lions, hyenas and even cheetah and wild dogs hunting

Excellent time of year for photographing dramatic storms + sunsets.
