Why stay?

1 PRISTINE LOCATION
Located within the unique and haunting baobab-filled Savute landscape, close to the Savute Channel which feeds into the Savute Marsh and is home to exceptional numbers of elephant-hunting lion, our exclusive, semi-permanent campsites are perfectly situated to explore this remote region.

2 ANCIENT SAVUTE ICONS
Take time to explore the symbolic San rock paintings at Gubatsa Hills, a small, hilly outcrop overlooking the landscape. And marvel at the giant baobabs on the edge of Savute's vast plains, where sunset colors provide a superb photographic opportunity.

3 SAFARI GAME DRIVES
Let your professional &Beyond guide know what you would like to see, and they will tailor your experience around your safari preference as much as possible. Enjoy the vast expanse of the bushveld and panoramic surrounds on an interpretive safari game drive in search of mighty herds of elephant and dashing masses of zebra, along with predators such as lion, cheetah, and leopard.

4 DISCONNECT TO RECONNECT
With no Wi-Fi, you have the unique opportunity to totally remove yourself from the outside world and experience the adventure of the African bush in seclusion and spectacular comfort. Gather around a roaring campfire to share stories of the day's magic, enjoying priceless, uninterrupted moments with loved ones.

5 FEAST BENEATH THE STARS
Dine beneath the open African sky, taking in the day-night soundscapes of Savute's wild spaces with every bite. Exuding the essence of the destination, a true celebration of sustainable, locally inspired, and wholesome food, all meals are freshly prepared and shared around a blazing fire.

Major highlights included closeup sightings of large prides of lion as well as the massive baobabs that loom over the reserve. ”

Adventures of a Lifetime

Experiences and highlights

With an array of captivating safari excursions on offer, create your very own tailor-made wildlife adventure, ensuring a truly incomparable, interpretive wilderness experience.

1

SAFARI GAME DRIVES

Enjoy twice-daily game drives exploring the wildlife-rich landscape. Professional &Beyond guides lead travellers on interpretive drives tailored to their preferences, whether that is tracking a particular species or unpacking the region's bountiful vegetation. Home to one of the largest concentrations of elephant in Africa as well as the puku and Chobe bushbuck found nowhere else in Botswana, appreciate up-close-and-personal views of wildlife unique to the park.

2

BIRDWATCHING

With over 450 recorded bird species, most of which are indigenous, the region is teeming with feathered inhabitants. Keep your binoculars at the ready for incredible sightings of broad-tailed paradise whydah, orange-winged pytilia, slaty egret, three-banded courser, white-fronted bee-eater, and marabou stork, amongst many other equally impressive findings.

3

PHOTOGRAPHIC BOATING SAFARI*

Tailored for both photography enthusiasts and wildlife admirers, the Pangolin Voyager photographic safari river boat is custom-built with eight individual 360°-rotating chairs, each fitted with a camera mount for longer telephoto lenses. Accompanied by a professional photographer and guide, this complimentary specialist-guided half-day adventure offers an incredible visual advantage as well as the unique opportunity for close-ups of the magnificent fauna and flora of the Chobe River.

4

STARGAZING

The evening skies above Chobe National Park are some of the continent's clearest, boasting exceptional stargazing opportunities. Immerse yourself in the Southern Hemisphere's night skies in complete awe, taking a closer look at the planets and constellations with your guide at the campsite.

**This experience is only available if guests are staying for two or more consecutive nights at &Beyond Chobe Under Canvas.*

Sustainability initiatives

In partnership with Wild Impact*, our long-standing community and conservation development partner.

CARE OF Land

- 155 856 plastic water bottles eliminated per year in Botswana as a result of on-site lodge and camp bottling plants
- Hybrid solar power plant systems in operation at our Botswana lodges and camps have the capacity to supply up to 80% of the lodges' energy requirements
- All our Botswana lodges and camps have sophisticated, environmentally friendly, above-ground wastewater treatment systems
- Progressive reduction of our direct carbon footprint through a system of Group goals, measured by annual lodge audits

CARE OF Wildlife

- Long-term support of the WildCRU Trans-Kalahari Predator Programme, based out of the University of Oxford, which aims to identify and protect wildlife corridors in Botswana
- Support of the Botswana Predator Conservation Trust with their African Wild Dog Dispersal Study – a project that is fundamental to the management and conservation of this endangered species
- Rhinos Without Borders – a collaboration between ♻️Beyond and Great Plains Conservation – translocated 87 rhino from South Africa to Botswana. The significant number of calves born to these new source populations is testimony to the success of this conservation initiative

CARE OF People

- 94% of our staff complement are local Botswana citizens
- 100 training interventions held on average annually
- 89% of our Botswana camp and lodge operational expenses support local business
- The phased development of the Sexaxa Primary School from 2012 to date has been a long-term commitment by Wild Impact and ♻️Beyond to a community-identified project
- Wild Impact's CLEF (Community Leaders Education Fund) tertiary bursary programme was introduced in 2019, with six bursaries granted to five rural students by 2020
- Two new boreholes established, providing a stable source of clean water to the isolated communities of Gogomoga and Tsutsubega
