ResDest.com has gone that extra mile to ensure that the systems in place make it easy to check and read confirmations. eMail subject lines: should the subject line details not correspond to that of the attached document please query the difference with us, just as we extend the courtesy to contact you, should your booking request not correspond. Any errors arising from confirmations not checked will NOT be the sole responsibility of resdest.com and any costs resulting from these errors will be split between the two parties as the Accommodation Establishment bears no responsibility in the administration process.

Please take note of the following and please make sure your consultants are aware of the following as this has become quite a problem:
