## White wine

Hout Bay Vineyards Sauvignon Blanc \$35

The cool Atlantic breeze that drifts through Hout Bay valley unlocks the elegant complexity of this popular grape variety. Loyal to the typical character of sauvignon blanc, with its freshly vibrant and vivacious juiciness, this white wine has aromas of asparagus, cut grass and green peppers with a dash of tropical fruit flavours for balance. Every sip will refresh and invigorate you with its subtle minerality. It is a perfect accompaniment to salads, fresh fish and white meat.

Sauvignon Blanc \$35

Lovely juicy, tropical fruits such as litchi, forrelle pear and a hint of sea mist. The lush balanced palate entertains with granadilla, guava and prickly pear.

Chardonnay \$40

Grown in pure limestone soil with extremely high mineral content, which results in a lively wine layered with fine structure.

## Rosé (Blanc de Noir)

Hout Bay Vineyards Blush (rosé) \$35

Reflecting the soft glow of the setting sun on a Hout Bay evening, this crisp, dry rosé wine is the perfect complement to picnics with friends, light meals and salads.

Aan't Vette Blush (blanc de noir) \$25

The appearance is an appealing vivid orange pink. It has an attractive nose with spicy notes of nutmeg, cloves and cinnamon, and further allusive notes of strawberry and melon. On the palate, the wine is smooth and remarkably complex for a blanc de noir, revealing notes of strawberry and quince with a hint of melon on the finish.

## Sparkling wine (Méthode Cap Classique)

Hout Bay Vineyards Klasiek \$45

The relatively cool climate and proximity to the Atlantic Ocean are the ideal growing conditions for MCC grapes. This bone dry Cap Classique has vibrant and zesty citrus flavours and a fresh brioche nose.

Süd Protéger Reserve \$45

Pale golden hue, with an unusually fine mousse. Very elegant balance of subtle fruitiness and cherry blossom, fresh bread and brioche. This wine finishes on a freshness and minerality that calls for the next glass of enjoyment.

Süd Protéger Rosé \$45

Pale salmon in colour, with beautiful persistent bubbles. Fruity aromas of red berries and aromatic spices on the nose. On the palate fresh fruitiness follows through with subtle berry and redcurrant flavours. Ending with a fresh creamy intensity and generous length.

## Red Wine

### Aan't Vette Shiraz

\$30

On appearance, this wine shows as a bright ruby red. Initially, the nose is quite reductive which opens up nicely with time in the glass. It presents as black cherry with some dried Italian herbal notes. The tannins are quite grippy but agreeable. On the palate it has raspberry and redcurrant flavours with some tea leaf and thyme lingering in the background.

### Hout Bay Vineyards Merlot

\$40

One of the world's most widely planted red wine grape variety, this gentle, yet complex, versatile wine is the perfect accompaniment to red and white meat, as well as pasta dishes. It also goes really well with chocolate! The rich and ripe fruit flavours are well balanced by a fresh savoury finish.

### Hout Bay Vineyards Petrus

\$55

This Rhone style blend is an opulent combination of shiraz, grenache noir, mourvèdre and carignan. It is well balanced with an integrated structure and lots of fruit flavours. The wine is aged to perfection in oak barrels, from which the wine maker, Petrus Roeloffze, selects only the best for his 'Petrus' blend.

### Hout Bay Vineyards Peter & Paul

\$60

A VERY special release of Petrus. This traditional Rhone-style wine spent two years in French oak and another eight years maturing in our cellar. It is deliciously full bodied and velvety smooth.

### Baleia Pinot Noir

\$35

A pinot noir with a bouquet of ripe strawberry, cedar leaf and cyprus with a palate of sour cherry and Turkish delight. Elegant white meat dishes and warm salads pair well with this wine.

### Baleia Tempranillo

\$35

An expressive Spanish tempranillo with a bouquet of blackcurrant and dark cherries, with hints of leather and sweet spice that linger on the palate. The delicate sensation of minerality in Baleia's food-friendly wines is an expression of the natural salts present in their soils and prepares the palate beautifully. This wine will take you to the Bushveld when enjoyed with South African venison.

### Baleia Vinhos Rochas

\$30

Wine from Rock – Made from tempranillo and syrah grapes grown in pure limestone soils, that are so hard and rocky that the vine struggles to grow and thus yields a small, concentrated crop. We respect the fruit by making use of amphorae and large wooden foudres in the cellar, which highlights the unique minerality and makes for a tantalising wine bursting with character.
