YOUR SAFARI SUITCASE

Listed below are some recommendations for your packing list. We've got the essentials, the not-so essentials (but always useful!) and some items you might never have thought of...

Year Round

- Cotton, long-sleeved tops and trousers in neutral colours (beige, khaki, tan) to protect from both sun and insects.
- A fleece or warm sweater (even in summer!)
- A broad brimmed hat for protection against the sun.
- Sunglasses that cut out glare. If quad biking in the Makgadikgadi, you may consider a pair of goggles - the sunlight and dust can be harsh.
- Sunblock, insect repellent and lip balm.
- Good, sturdy closed shoes or boots and socks for walking. Our favourites are RM Williams' Gardner Boots, Clarks Desert Boots, or Timberlands.
- Head torch for the evenings.
- Swimming kit.
- Binoculars. We highly recommend Leica.

Summer

- Light, waterproof jacket to protect against rain.

Winter

- Layers are essential!
- Warm leggings – good to wear under trousers
- Woollen hat, gloves and scarf for extra warmth.

Extra

- Flip-flops.
- Ipad or Kindle, loaded with books.
- Kikoy or sarong – useful in all manner of situations!
- Camera equipment, spare batteries and memory cards.
- Personal medicine.
