Day 1: Konkamoya Lodge

After breakfast, depart for Kafue National Park. Two hours drive to Dundumwezi Gate, the southern gate of Kafue, and begin your first game drive in Kafue NP. We spend the morning exploring the Nanzhila Plains with its herds of Roan, Sable and Eland. We stop for a picnic on the banks of the Nanzhila River and relax until 15:30-16:00 when we resume our safari approach to the Konkamoya Lodge. Arrival at the lodge at c. 18:00.

Konkamoya Lodge integrates seamlessly into the surrounding bush deep in the heart of Kafue National Park. Each of the four tents is located on a wooden platform a metre above the ground to deter unwanted guests, while inside accommodation mimics a small apartment, complete with bedroom, sitting room, and bathroom with hot and cold running water and shower: comfort and elegance in nature.

Day 2: Konkamoya Lodge

From the lodge you can see herds of elephant striding majestically past and large groups of antelope grazing nearby. Game drives are one of the best ways to get close to the wonders of the animal world and our highly qualified guides lead you in comfortable open 4x4 vehicles.

On these morning and afternoon expeditions you will see four of the park's Big Five (elephant, lion, leopard and buffalo) as well as a variety of other animals including cheetah, pangolin, aardvark and the magnificent wild dog.

Day 3: Konkamoya Lodge

International, Zambian and Italian specialties are prepared every day. Meat, fish and crayfish cooked to your tastes, homemade gnocchi and tagliatelle, pizza and bread in a wood oven, traditional Zambian recipes.

Special requirements, like vegetarian meals or coeliac diet, can be catered for. With cooking classes for guests who would like to learn how to prepare one of the specialties.

Day 4: Konkamoya Lodge

East-facing, all tents look across the breezy lake (Konkamoya meaning 'follow the wind'), with marvellous views of the renowned African sunrise. All around are mahogany, ebony, baobabs.

The interiors are apartment-like, with a double bed that can be converted into a twin configuration, a lounge and stylish African fabrics. All have en-suite showers, toilet and two basins with hot and cold running water.
