

## CANOE - ARUSHA NATIONAL PARK

With Mount Meru summit on the background, Arusha National Park can be divided in three different areas amongst which Momella lakes.

Canoeing is an excellent way to discover this zone surrounded by Lendoiya and Kinandia swamps. Located on the North-East part of the park, Momella lakes alkaline waters attract a large number of birds, especially wide flocks of pink flamingoes.

Generally speaking, a safari is by car or some times by walk, but rarely on a canoe. This activity gives you the opportunity to approach animals on a different way.

Departure's on the shore of **Small Lake Momella**.

Fixed departing times: **9:30am or 2pm**

Duration of the activity: **2h, 2h30 on the lake.**
